

(THE SWIFT SINGERS MANUAL - Continued)

NOTE NAMES:

The musical alphabet has only 7 letters: A-G

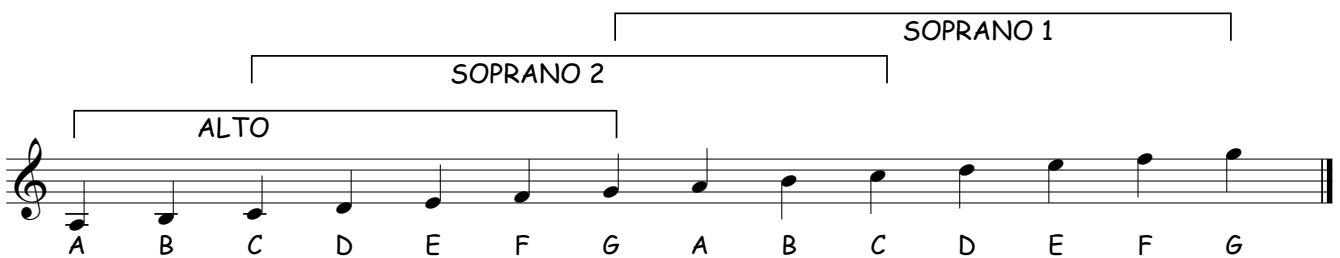

Below are most of the notes choir members are likely to sing.

SOPRANO 1 sing the top notes.

SOPRANO 2 (or **MEZZO SOPRANOS**) sing in the middle

ALTOS usually sing the bottom notes.

Each section often strays into another sections area.

Occasionally the **ALTOS** will be asked to sing notes lower than the bottom 'A' and **SOPRANOS** higher than top 'G', but don't try this after a big breakfast!
